

REMARKS

Applicant has studied the Office Action dated October 14, 2004 and has made amendments to the application. It is submitted that the application, as amended, is in condition for allowance. Claims 1-20 are pending. Reconsideration and allowance of the claims in view of the above amendments and the following remarks are respectfully requested.

The drawings were objected to because Figures 1(A) through 4 were not designated by a legend such as "Prior Art". Please substitute the attached corrected formal drawings (Replacement Sheets) for the drawings that were originally filed. Figures 1(A) through 4 have been amended as shown in red on the attached Annotated Sheets. In particular, Figures 1(A) through 4 have been labeled "Prior Art" as requested by the Examiner. No new matter has been added. In light of these amendments, it is submitted that the objection to the drawings should be withdrawn.

Applicant thanks the Examiner for indicating that claims 1-20 are allowable over the art of record.

Applicant has examined the references cited by the Examiner as pertinent but not relied upon. It is believed that these references neither disclose nor make obvious the invention recited in the present claims. In view of the foregoing, it is respectfully submitted that the application and the claims are in condition for allowance. Reexamination and reconsideration of the application, as amended, are requested.

If for any reason the Examiner finds the application other than in condition for allowance, the Examiner is invited to call the undersigned attorney at (561) 989-9811 should the Examiner believe a telephone interview would advance the prosecution of the application.

IN THE DRAWINGS:

Please substitute the attached corrected formal drawings (Replacement Sheets) for the drawings that were originally filed. Figs. 1(A) through 4 have been amended as shown in red on the attached Annotated Sheets.

Respectfully submitted,

Date: December 14, 2004
